WHOOP-UP TRAIL

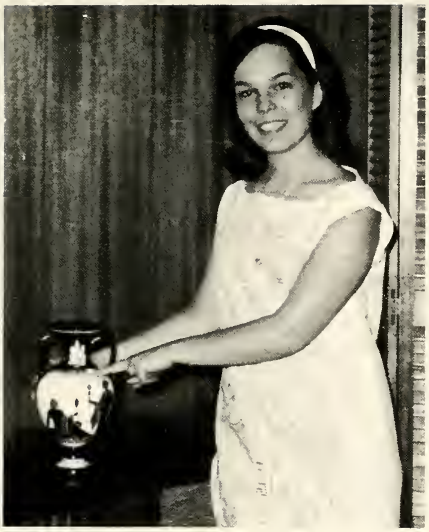
CONRAD HIGH SCHOOL

CONRAD, MONTANA

FOREWORD

The spirit on the trail was consistently high for us this year. We were winners in sports, music, and other activities--many times over. As individuals, we seniors excelled in NEARLY every undertaking. Our high school spirit reached a climax at commencement because we realized that we were to be trusted on our own; we were beginning a life of great possibilities. This trail we have been traveling is strewn with memories of hard work, excitement, mistakes, and honors. Teachers and experience have given us a good background of knowledge so we can pioneer ahead on new and undiscovered trails.

This yearbook maps our path--you may choose to follow it or to find your own.



Cindy Conrad was chosen American Field Student to Greece in the summer of 1966. She has given numerous talks to local clubs, and has generally informed our community of life in Greece as it really is. Cindy is shown wearing a dress which she bought in Greece, and the urn was also made in her "homeland".

We also wish to thank the following for donating so many pictures to our 1967 WHOOP-UP TRAIL: Charles Yeager, Jr., Ray and Marge Heinitz, and the Independent Observer.

OUR SPECIAL PEOPLE

Bill and Marge Gebhart have proved to be invaluable to the production of our annual. Their professional guidance and endless patience in taking pictures have meant the success of our WHOOP UP TRAIL 1967.

For each senior, 1967 has been the culmination of many dreams. Through group efforts and through individual efforts, we have succeeded. Our success is largely due to the cooperation and guidance of our administration--Mr. Hefty and Mr. Herman. We thank you.
